Transporting Students

When parents are assisting with transporting students to and from sporting events it is part of the Department of Education and Communities policy that a current driver’s licence and car registration details are sighted. Please read below to understand what is required by parents.

9.3 Car travel

9.3.1 The transporting of students in the cars of staff members, parents, caregivers, volunteers and other students should only occur in those circumstances where there is no feasible option available to provide alternative transportation. This may only occur under the following conditions:

- written permission from the parent(s) or caregiver(s) of the student(s) being transported is obtained
- the driver is licensed and, if issued with a provisional licence, complies with any relevant peer passenger conditions
- the vehicle is registered
- the number of passengers in the vehicle does not exceed the number of seatbelts
- current driver’s licence and car registration details are sighted by the school prior to giving permission for students to be transported in the vehicle.

We understand that this may take time but we all want to ensure the students are safe and that the correct procedures are being followed.

Girls Touch Footy
On Monday 16th the Girls touch footy team played against Ashtonfield Public School. We defeated them with the score being 6-2. We would not have been able to do this if we had not worked as a team. This now means we go on to the next round.

FFA 5 A-Side Gala Day
On Monday 16th June, a group of Stage 2 students and Stage 3 helpers, travelled to Fieldsend Oval to participate in the FFA 5 a-side Gala Day. The students thoroughly enjoyed learning some new skills and meeting children from other local schools. It was wonderful to see the students having fun and demonstrating great sportsmanship. Thankyou to the parents who were able to help with transport, it was greatly appreciated.

Miss Trowbridge.

Starstruck
What a week and what a show! Congratulations to our Starstruck team who performed four shows over Friday and Saturday. The show 'Magic Happens' truly demonstrated the amazing talents of over 3600 students from Hunter Region Public Schools. Thank you to parents for your support and transporting their child to and from shows, thank you to Miss Lewis and Miss Trowbridge for assisting with student back stage supervision and a very BIG thank you to the Starstruck team who have committed to lunch time rehearsals, persisted when things challenged them and danced beautifully to 'Dancing on the Ceiling'. Well done girls!
