Fundraising at EMPS P&C and how you can help......

As a P&C we are involved in many fundraising projects that help our children and the school. In the past we have paid for re-painting the murals in the playground, Interactive White Boards for each class room and prizes for Presentation Days. In 2013 we are working on up-grading the Uniform Shop, a Pigeon Eradication program and working towards Air Conditioning the School Hall and ongoing maintenance to ensure working air-conditioning in every classroom.

You can help by supporting our activities, helping out at our major events or even just giving the donation on out-of-uniform days. All activities are voluntary and any assistance you can give is very much appreciated.
